

## Bug List

---

**Member `batch_eval.eval ()`**

This has not been Thoroughly tested yet. Only use synthetic data need your cope

**Member `batch_eval.test ()`****Class `index.IndexItem`**

None documented yet

**Class `index.InvertedIndex`**

None documented yet

**Class `index.Posting`**

None documented yet

**Member `index.Posting.sort (self)`**

This need to be tested

**Class `util.Tokenizer`**

None documented yet

**Member `util.Tokenizer.spell_correction (self, list_token)`**

The spell correction function doesn't necessarily seem to work as expected.
